

Dear Varsity Football Parents, **(PLEASE READ EVERYTHING)**

The 2007 Geneva Vikings football season is here! We look forward to the excitement of the games and to the shared efforts of our "Team Family" as we unite for another successful football season! We look forward to as much help as you can give:

- **Team Dinners** – We will again be preparing dinners for the players the Thursday night before each game. The boys really appreciate these meals and the time for team bonding after a tough week of practices. Please sign up to help with one or more dinners at the moms practice on August 14<sup>th</sup> (more info to follow on that from Coach Wicinski). If time constraints make cooking difficult for you, we welcome less labor-intensive contributions, such as bread, drinks, paper goods (both junior and seniors moms are needed.. Contact Nancy Mayszak by phone 208-8972 or email ([nancy.mayszak@us.logicalis.com](mailto:nancy.mayszak@us.logicalis.com)) with questions (game schedule on the website [www.genevafootball.com](http://www.genevafootball.com)). Sign up boards will be available at the Moms' Practice.
- **Home Game Concessions** – The concession committee has asked that we assign concession dates rather than do a sign up. This was done randomly (see schedule in this packet). You can switch if you would like. Varsity parents work during the sophomore game from 4:45 – 7 pm, and freshman and sophomore parents work during the varsity game from 7 pm – until the end of the game. Questions on concessions should be directed to Mary Petersen or Nancy Cornwell.
- **Included in this packet are an away game box lunch order form and a Viking hooded sweatshirt order form. Please complete both forms if you wish to participate and return by the date indicated on each.** These forms will also be available for download from the Geneva Football web site ([www.genevafootball.com](http://www.genevafootball.com)). Questions about the box lunches should be directed to Cindy Caliendo 232-7932; questions about the sweatshirts should be directed to Debi Conforti 845-8389. Also included in this packet is information regarding Orlando's Pizza and the Geneva Football web site. We will be using the web site to keep in touch with you, so be sure to check in often.

Thank you for being a supportive part of the football program!
