

2007 Varsity Football Concession Assignments

The concession committee requested that all sports programs assign their parents to home game concession duty this year. The freshman and sophomore parents will work the varsity game and the varsity parents will work the sophomore games. If you cannot make your assigned game please make arrangements to switch with another parent. For Football this was done alphabetically for fairness.

Please show up 15 min before game time at the concession stand. Questions or comments can be directed towards Nancy Cornwell or Mary Petersen (concession chairs). Thank you in advance for your help.
