

Concession Assignments for Freshman Football Parents

Thank you for helping make the 2007 football season a success. Being part of the football “family” is helping with concessions. The concessions committee asked that we assign our parents to work a shift at one of the home **varsity football games**. Below is your name in alphabetical order. Some names will not be listed because they have already been assigned through varsity football, dance team or cheerleading. If your number is not listed or you need to change with someone, please make those arrangements and then contact Mary Peterson or Nancy Cornwell (concession committee). Marypson@aol.com 262-0512 or ncornwell822@sbcglobal.net 232-7233. They will contact you before the game to remind you, and also tell you what time to come. Again, thank you for your help.
